KCF was always willing and ready to help those in need of medical help due to sickness or injury irrespective of the religion, caste or region. KCF has been willing to give a helping hand to the lonely helpless people and to console their suffering. Many a time the innocent Malayalees living in a far off place is framed for some petty offences by the over enthusiastic Police. KCF came running to such people and saw to it that justice was done to those and freed from the clutches and harassment of the Police. There were many instances when KCF team led by M.V. Parameshwaran successfully acted as mediator/counsellor and solved many family disputes which could have wrecked many lives.
